ILLINOIS’ K–12 DATA PRIVACY AND CYBERSECURITY SUMMIT

Are you involved in cybersecurity or data privacy at your institution? SecurED Schools is a 2-day professional development summit focused on data privacy and cybersecurity for K–12 Administrators, Technology Leaders, and IT Staff. Participants will learn about data privacy and cybersecurity requirements, policies, and best-practice strategies.

One day of the summit is dedicated to hands-on workshops and the other is focused on 1-hour breakout sessions. Attendees may register for one or both days. This interactive format will show you how to protect yourself, your district, and your students.
